

Valentine's Day is quickly approaching! Please remember that we are a NUT-FREE institution. In our continued efforts to keep our children as safe as possible, we **DO NOT** allow outside food in our building.

If you would like to treat our children during this holiday, please bring treats that are **NOT** edible. Peanut allergies **can kill** and 99% of all candy has a peanut allergy warning on it. Pencils, stickers, and things of this nature will be welcomed. **Any candy or edible treats left mistakenly at the school will be discarded.**

Please help us in our continued efforts to keep our children happy, healthy and safe.
